PROFILE

Performance marketer focused on generating qualified leads and customers through Facebook and Instagram advertising.

Hands-on experience managing full acquisition cycles — from ad creative and targeting to lead conversion and follow-up. Known for combining paid ads with structured follow-up systems to turn leads into paying clients.

Managed over **KES 500,000 in ad spend**, generating **6,000+ leads** and approximately **KES 2.6 million in revenue**, primarily in high-consideration service markets.

KEY RESULTS

- **KES 300,000+** managed in Meta ad spend as an Affiliate
- **5,500+ leads generated** through Facebook & Instagram campaigns
- **170+ paid clients** generated from the campaigns
- **KES 2M+ revenue generated** from lead generation campaigns
- Reduced cost per lead to as low as **KES 33** through testing and optimization
